## THE KEYES COMPANY NAMED IN THE TOP 100 BY REALTOR MAGAZINE

Miami, FL (July 20, 2010)- The Keyes Company was recently named in the Top 100 Real Estate companies by Realtor® Magazine. The Company came in at #55 for the transaction side, a 47 % increase from its 2008 numbers. When ranked by sales volume Keyes was ranked #68 in the nation, a 13.5% increase from 2008.

"We are truly proud of our Keyes family. In a tough economic environment and real estate market they have shown that hard work and perseverance deliver outstanding results. We are encouraged by the continued success of our Keyes associates through the first half of the year; Keyes units are up 37% in 2010 over 2009. We look forward to an even more prosperous 2010!" commented Mike Pappas, President & CEO of The Keyes Company.

Realtor Magazine's "Top 100" list can be found in the July/August Issue.

### **About The Keyes Company/Real Estate, Mortgage and Title**

Since The Keyes Company's ([www.keyes.com](http://www.keyes.com)) founding in 1926 in Miami, Florida, its team of professionals has cultivated a well-respected reputation for meeting the diverse real estate needs of families, investors and businesses owners. The remarkable longevity of this independently-owned family business is a testament to its performance and success within the full range of market conditions. Keyes' network of offices, professional associates and strategic partnerships serve customers regionally, nationally and internationally. The company consistently ranks among the Top 100 real estate companies in the country, as measured by both sales and transaction volume.
